## Brain Functions Diagram (N-3F)

Use pages 448-450 of *Life Science* (Silver Burdett Ginn) and pages 468-469 of *Middle School Life Science* (Kendall/Hunt) to complete this assignment.

### DIRECTIONS:

1. Draw an **outline** of a brain showing the different sections.
2. Write the function of each section of the brain **inside the outline**.
3. Be sure to be complete, neat, and accurate!

Please attach this sheet to your work when you turn it in.
