

## Future Thinking and Decision Making (N-3G)

By completing the next two activities, you will experience two functions of the cerebrum. Obtain both worksheets from the filing cabinet, if you haven't done so already.

### FUTURE THINKING:

1. Read page 459 of *Life Science* (Silver Burdett Ginn).
2. Follow the procedure on page 460.
3. Answer the Analysis Questions AND the Conclusion in **complete sentences**.

### DECISION MAKING:

1. Review the worksheet.
2. Obtain a Decision Card from your teacher.
3. Work **by yourself** to complete the worksheet.

Please staple both activities together before turning them in.
